CROP ACRES INSURED

Farm Credit serves the credit and financial services needs of **nearly 100,000** farmers, agribusinesses and rural residents across Indiana, Ohio, Kentucky and Tennessee, with more than **1,100 highly trained employees**.

CROP INSURANCE

We insure more than **2 million crop acres** across our four-state territory and employ **30 Farm Credit crop insurance specialists**.

INVESTING IN YOUNG AND BEGINNING FARMERS

Farm Credit offers special lending and pricing criteria for young and beginning farmers to support the industry's next generation.

- Nearly **30 percent** of our customers are younger than 35.
- More than **50 percent** of our customers have farmed for less than 10 years.
- We finance more than **70,000 young and beginning farmers**.

GIVING BACK TO THE COMMUNITIES WHERE WE LIVE AND WORK

- Each year, Farm Credit invests more than **\$2 million in community giving** to such causes as camps and fairground renovations, food bank donations, and youth organizations.
- We also grant more than **\$100,000 in scholarships** each year and provide crucial services and disaster relief needs in communities across the nation.
