Farm Credit Mid-America is one of the largest agricultural lenders in the Farm Credit System with more than \$20 billion in assets. Nearly 100,000 farmers, agribusinesses and rural residents across Indiana, Ohio, Kentucky and Tennessee, turn to its knowledgeable staff for financial services crucial to making their situation more stable and productive.

#### PRODUCT AND SERVICE OFFERINGS

Farm Credit builds stronger communities and more profitable farms through a wide variety of financial products and services:

- Farm real estate loans
- Operating loans
- Equipment financing
- Leasing for equipment and buildings
- Country home loans
- Lot financing
- Construction financing
- Crop insurance
- Online banking

#### BENEFITS THAT OFFER REAL VALUE

To support an overall way of life for farmers, Farm Credit offers more than just products.

- Long-term fixed rate financing for farm real estate provides consistent financing, regardless of movements in interest rates.
- A loan conversion program lets customers refinance loans without the headaches, hassles and extra fees usually associated with refinancing.
- Online banking and farm cash management programs help customers manage their accounts and maximize interest while allowing day-to-day access to funds.
