

PRODUCT COMPARISON

	Actual Production History (APH)	Yield Protection (YP)	Revenue Protection (RP)	Revenue Protection with Harvest Price Exclusion (ARP HPE)	Area Yield Protection (AYP)	Area Revenue Protection (ARP)
Benefits	Production-based coverage protects the producer against a yield loss.	Covers against loss of yield due to a county-level production loss.	Guarantees revenue per acre with both upward and downward price protection. Option to exclude upward price protection.	Covers against loss of revenue due to county-level production loss, price decline, or a combination of both.	Covers against loss of yield due to a county-level production loss.	Covers against loss of revenue due to a county-level production loss, price decline, or combination of both, and includes upside Harvest Price protection.
Guarantee	Approved yield x selected level x price.	Expected county yield x coverage level = trigger yield.	Approved yield x selected level x greater of Projected or Harvest price. If Harvest Price Exclusion, approved yield x selected level x projected price.	Expected county yield x projected price x coverage level = trigger revenue.	Expected county yield x coverage level = trigger yield.	Expected county yield x greater of the projected or harvest price x coverage level = trigger revenue.
Coverage Type	Based on Individual APH.	Based on Individual APH and Board of Trade prices.	Based on Individual APH and Board of Trade prices.	Based on Individual APH and Board of Trade prices.	Based on area yield.	Based on area yield and Board of Trade prices.

UNIT DEFINITION (Applies to RP, YP and APH only)

Enterprise – Consists of all insurable acreage of the insured crop in the county in which the producer has a share. Must meet minimum acres per section requirement (limited availability for APH crops).

Basic – Consists of all acres of the crop in the county per share entity. Receive 10% premium discount with Basic unit structure.

Optional – Break Basic unit down further by section and irrigated/nonirrigated practices if production records are kept separate.
